With bookings soaring, our customers continue to return year after year to enjoy the unforgettable experiences and great value we deliver.

A Bigger and Better Collection for 2025:

For 2025, Grand UK Holidays is offering a wider selection of holidays to suit every traveller. This includes our popular escorted tours by coach, rail, and river, as well as ocean cruising and holidays by air.

With more people choosing short breaks and our GOOD COMPANION holidays, we are thrilled to report that bookings are up - a testament to the trust our loyal customers place in our unrivalled service.

Grand UK Holidays is renowned for its Door to Door Service, which we're proud to offer for a range of holidays in 2025. This service ensures that all customers on 7-day or longer UK coach holidays, European coach holidays, air holidays, and cruise holidays can be collected directly from their front door. This convenient and trusted service is available at no additional charge and enhances the ease and comfort of our tours.

Exciting New Additions for 2025:

For those who love cruising, we're pleased to announce the addition of ocean cruises, with free Door to Door service for guests setting sail. Expect top-tier entertainment, exquisite cuisine, and the best value for money. We're also bringing back our luxury

European river cruises, where passengers can explore the beautiful waterways of Europe in style and comfort.

Additionally, we're delighted to offer escorted holidays by train, taking in some of the most picturesque railway lines in Britain.

And, for those seeking an extra touch of luxury, our Grand UK Gold holidays now come complete with a Door to Door service as standard, offering a truly premium experience.

Customer Care and Unbeatable Value:

At Grand UK Holidays, we are committed to delivering exceptional value for money. We've always listened to our customers, and it's why we include admission fees, tickets, guided tours, and complimentary passes that other companies charge extra for – all included in the price of your holiday. We also don't charge a single room supplement on any of our mainland UK tours, making it easier and more affordable for solo travellers to enjoy their getaway.
