Let's not forget our popular luxury **European river cruise holidays**, which also make a welcome return in 2025 alongside **holidays by train**. Enjoy an escorted holiday on some of the most picturesque railway lines in Britain.

Grand UK Gold holidays now also include a Door to Door service on all tours, giving you that added touch of luxury and comfort. Our local departures for all other coach tours remain free, offering unbeatable value coach holidays for all. Our **Tour Managers** remain the beating heart of our coach holidays, and these incredible individuals really do make the difference between a trip and a memorable holiday.

Our popular 'Just for Singles!' holidays are back, still designed with the solo traveller in mind, but with a new name of **Good Companions**.

Our 2025 Holiday Collection is bigger and better than ever before, and is all down to you, our wonderful customers. Thank you for coming on this journey with us.

CONSTABLE COUNTRY & SUFFOLK COASTLINES

The idyllic pastoral landscapes of the Stour Valley, on the border of Suffolk and Essex, inspired great painters such as Constable and Gainsborough in the 18th century. Once a thriving centre in medieval times, today it is a rural backwater which attracts visitors with its picturesque towns and half-timbered villages, thatched cottages, magnificent churches, and quiet countryside. Venture a little further to the Suffolk Coast and we discover genteel coastal resorts and estuaries thriving with wildlife.

YOUR EXCURSIONS

FULL DAY: Through the quilted landscapes of Constable Country we arrive in East Bergholt where the artist John Constable was born. This area was the focus of many of his famous paintings and we head downhill to Flatford Mill where his most famous painting – the Hay Wain – was produced. Here, Bridge Cottage is worth visiting with an exhibition of his life and work. We conclude our day in Sudbury, home of another of England’s finest artists, Robert Gainsborough, where his home is a permanent museum to him in the centre of this charming market town.

FULL DAY: To pretty Lavenham this morning, a medieval wool town with a profusion of half-timbered buildings and galleries. It is one of the most photographed villages in England where the main street was used in the Harry Potter & the Deathly Hallows film. From here we head to the River Deben for an afternoon cruise on the Deben Estuary, a protected area rich in wildlife. While on board we also enjoy a lovely cream tea as the on-board commentary tells the story of the wildlife and history of this captivating estuary.

FULL DAY: In the morning to Aldeburgh, a tiny, picturesque seaside resort with a shingle beach and famous for its literary connections and annual Music Festival, founded by composer Benjamin Britten, before moving on to Southwold. Set on a low cliff, with a sandy beach and pier, it was once a fishing town, but nowadays is better known for its brewery and colourful beach huts.

BEST OF THE NATIONAL TRUST IN THE GARDEN OF ENGLAND

The changing landscapes of Kent, dotted with vineyards, oast houses and quaint villages, is forever regarded as the Garden of England. It is a county with an abundance of colour, of patchwork countryside and enchanting journeys. Among all of this is a rich history of fortitude, of defence and of tales from the past. On this tour we explore some of the National Trust's finest properties, from fabulous gardens to the footsteps of Churchill, bringing history to life and showcasing the best of Britain in the Garden of England.

YOUR EXCURSIONS

FULL DAY: This morning we make our way to Chartwell, which was the beloved family home of Winston Churchill for forty years. Having bought Chartwell in 1922, it became his solace away the demands of parliament, and it was where he indulged in his passion for painting among the surrounding gardens. This afternoon we head to Chiddingstone Village, a unique Tudor one-street village with wonderful half-timbered facades and stone-hung, red-tiled roofs. Bought by the National Trust in 1939 in order to ensure its preservation, today it remains a delight to explore.

FULL DAY: Our first visit is to medieval Scotney Castle, where the ruins of the moated castle and adjacent Victorian mansion are set within picturesque gardens. From here we continue to Sissinghurst Castle Gardens, one of the finest gardens in the south of England, painstakingly ordered by colour and season to provide an ever-changing montage of flowers and shrubs. The moated Tudor house – one of the first to be built of brick – has a fascinating back story from its time as a 17th century prison, to the Second World War, when it was home to the women's land army.

HALF DAY: Today we take-in the magnificence of Knole. This 600 year old estate, situated in the heart of Kent's last medieval deer park, has been welcoming visitors to its showrooms for an astounding 400 years! Originally built as an archbishop's palace, it is now in the hands of the Sackville Family, and their history can be discovered alongside centuries-old art and tapestries, while the courtyards, parkland and orangery are well worth exploring.

THE ISLE OF WIGHT OF YESTERYEAR

On this midweek break we seek out island attractions, which show us how it used to be in times gone by. The Victorian Age in particular has left its mark, and Queen Victoria herself loved the island so much that Osborne House was built for the Royal Family. Based in the resort of Sandown, we include a tour of Osborne House, a ride on the perfectly preserved steam railway, and a visit to a village museum with a Victorian theme.

YOUR EXCURSIONS

FULL DAY: Our full day tour begins at the ornate Whippingham Church, built by Prince Albert and where Queen Victoria was a regular member of the congregation when in residence on the island. We continue to Queen Victoria's seaside retreat, Osborne House, where she died in 1901. This beautiful Italianate villa and grounds are maintained as it was at the time offering a wonderful snapshot of Royalty during Victoria's reign.

FULL DAY: This morning we visit the resort of Shanklin for some free time before we take a journey back in time with a ride on the Isle of Wight Steam Railway. We join at the railway's main station at Havenstreet, where there is a small museum and shop, for a return journey on a section of the old Ryde to Newport line. The oldest locomotive was built in 1876 and carriages date back to 1864, and all have been restored to pristine condition. We conclude our day in the small resort of Ryde on the east coast of the island.

FREE DAY TO EXPLORE: Relax and unwind with a free day in Sandown to enjoy its charming seafront walks, or use the time to explore the island by local transport services.

VINTAGE ENGLAND

Nothing quite matches the thrill of a vintage train ride, and we have some of the very best on this wonderful tour in the West Country. The West Somerset Heritage Railway combines amazing coastal views with the wild landscapes of Exmoor, while the Gloucestershire and Warwickshire Heritage Railway opens up the heart of the Cotswolds and the lovely Malvern Hills. We also feature a ride on a restored tramway through the beautiful Axe Valley, and excursions by coach to some of the West Country's finest seaside resorts.

YOUR EXCURSIONS

FULL DAY: This morning we make our way to Bishops Lydeard, starting point for our superb twenty mile scenic train ride on the West Somerset Heritage Railway to the popular resort of Minehead. We continue by coach along the coast to the twin resorts of Lynton and Lynmouth, linked by a cliff railway.

FULL DAY: Today we make our way to the South Devon coast where a succession of small resorts are set between cliffs and wooded hills. Our first stop of Seaton, gateway town to the Jurassic Coast, is where we enjoy a journey on the restored tramway. It operates between Seaton, Colyford and Colyton in the glorious Axe Valley, travelling alongside the River Axe estuary through two nature reserves and giving an unrivalled view of the abundant wading bird life. In the afternoon we travel along the coast to Sidmouth, a genteel resort set between the distinctive 'Jurassic' red cliffs, which has an air of Victorian prosperity.

FULL DAY: We head north today towards the Cotswolds and the famous horse racing town of Cheltenham. Here we take a ride on the Gloucestershire and Warwickshire Heritage Railway as it passes between the Malvern and Cotswold Hills to the pretty village of Broadway via the Great Tunnel and over Stanway Viaduct. We enjoy some free time in Broadway before we return by coach through the splendid Cotswolds countryside.

Marvel at the Clifton Suspension Bridge, which soars above the River Avon and is perhaps Bristol's most striking landmark, then enjoy a leisurely cruise around the harbour. This museum first opened its doors in 2017, showcases the city's important role in aeronautical engineering, and our guided tour spans from the earliest days of flight to today's advanced technology. The highlight of our visit is stepping aboard the legendary Concorde, the world's fastest passenger jet. Here you can peek into the cockpit, stroll through the passenger cabin to see how people once travelled in luxury, and enjoy a stunning show projected onto the aircraft's exterior.

FULL DAY: Back in 1831, Isambard Kingdom Brunel built one of the defining landmarks of Bristol, and the majestic Clifton Suspension Bridge represents a remarkable milestone in engineering. Our guided tour will take you through the history, construction and maintenance of this iconic structure. After lunch, we enjoy a relaxing cruise on the River Avon, which includes fascinating commentary about Bristol's rich maritime heritage and the origins of this innovative city.

CREAM OF THE COTSWOLDS

Explore some of England's most treasured landscapes, where mellow stone-built towns and villages are tucked away amidst rolling limestone hills. The Cotswolds became prosperous with the medieval wool trade, when many fine churches and manor houses were built and left unspoilt to this day. It's an Area of Outstanding Natural Beauty and our holiday base, Cheltenham, is one of our finest historic treasures and the most complete Regency town in Britain.

YOUR EXCURSIONS

FULL DAY: Today we head into the lush meadows and honey coloured stone villages of the Cotswolds where this wonderful scenic tour takes in some of the most perfect picture-postcard villages of middle England. First to Moreton-in-Marsh where there is an opportunity to explore the huge Tuesday market, a celebrated weekly event, which takes over the High Street. We continue this afternoon to the charming village of Burford before returning to Cheltenham.

FULL DAY: All aboard today for a ride on the Gloucestershire and Warwickshire Heritage Railway as it steams serenely through the rolling Cotswold Hills to Broadway, a delightful place often referred to as the 'Jewel of the Cotswolds'. Here there is time to explore the 'broad way' with its ancient Cotswold stone cottages and myriad of antique shops before returning via Stow-on-the-Wold, where there is time to explore the ancient market square surrounded by dozens of independent antique shops.

FULL DAY: Heading south today, we reach Cirencester, often referred to as the 'Capital of the Cotswolds', before we make our way this afternoon to Chavenage House, a 400 year old Cotswold Manor where the Lowsley-Williams family take pride in welcoming you personally to their home.

NATIONAL TRUST GEMS IN THE HEART OF ENGLAND

Amongst the rolling hills and pastoral countryside of the Cotswolds and surrounding shires, the National Trust has restored a remarkable array of country gardens, each with their own identity and character, great and small. This brand new tour features a collection of some of the less well known properties, discovers the secrets to restoring period gardens, and introduces the changing faces of seasonal gardens. And to compliment this horticultural heaven, there is some more down to earth scenic coach touring through some of England's finest countryside.

YOUR EXCURSIONS

FULL DAY: Today we head into the northern Cotswolds to Hidcote Manor Garden. This is regarded as an arts and crafts masterpiece with a series of outdoor rooms that display their colour at different times of the year, adding character with a range of rare shrubs, trees and plants from across the globe. In the afternoon we continue to Snowhill Manor and Garden which is surrounded by a hand-built terraced hillside garden. Here the world of Charles Paget Wade is played out within the house through his lifetime of collecting and inheriting objects from around the world.

FULL DAY: Along the Severn Valley we come to the pretty Cathedral city of Worcester, with the river winding through its heart and time to explore, before we reach Hanbury Hall & Gardens. Here the 20 acres of gardens are recreated to keep in style with the period of the 17th century house, including an Orangery, ice house, pavilions and a working mushroom house. Step beyond the gardens and enjoy the Hall's parkland with beautiful views across the surrounding countryside.

HALF DAY: Today we head into the Gloucestershire countryside and to the banks of the River Severn to visit Westbury Court Garden. This unusual garden is the only restored Dutch water garden in England, laid out in the late 17th century and painstakingly restored by the National Trust in 1971.

IN THE HEART OF THE LAKES

The English Lakeland must surely be one of the best-loved, and most beautiful, regions in the British Isles. Here the sight and sound of water is never far away, adding a magic and serenity that draws visitors back time and time again. Windermere is perhaps the best known of the Lakeland treasures, but there are so many idyllic lakes, winding lanes and peaceful villages it's no wonder that Wordsworth gained so much inspiration here. We have some wonderful scenic tours lined up for you, exploring the very best of this beautiful area and we think you'll love every minute.

YOUR EXCURSIONS

FULL DAY: A full day Lakeland adventure so phones and cameras at the ready! We start in Bowness-on-Windermere the popular tourist haunt, with its quaint alleyways and lively lakeside quays, before taking a cruise on Lake Windermere to enjoy a different aspect of the surrounding scenery. Disembarking in the small village of Lakeside we join the preserved Lakeside and Haverthwaite Railway. We return this afternoon by the shores of Coniston, the third largest of the lakes and forever associated with the fateful story of speed ace Donald Campbell.

FULL DAY: Our tour today takes in northern Lakeland, stopping first at the idyllic village of Grasmere, where the poet William Wordsworth lived. Then by the banks of Thirlmere we come to Keswick, a market town set on the shores of Derwentwater where there is time to explore this lively tourist centre. This afternoon we head for the shores of Ullswater, one of the largest and most beautiful lakes, before ascending Kirkstone Pass with its breathtaking lake and mountain views.

HALF DAY: This morning we head to Kendal, often referred to as the "Gateway to the Lakes". This busy market town has many historical buildings, fascinating craft and curiosity studios and a superb Norman Castle.

AYRSHIRE COASTLINES & ISLAND DUET

On this new tour for 2025, based on the gorgeous Ayrshire Coast, we include two magical days out touring the nearby Isles of Bute and Arran. Offering contrasting experiences, the Isle of Bute is a haven of tranquillity and quiet rolling countryside, while the Isle of Arran has dramatic coastlines and rugged mountains, encapsulating the best of Scotland in one small island. And we also visit some of the region's finest castles and historic houses, each with its own fascinating tale to tell, and with so much to see. There's something for everyone on this lovely seven day tour of Scotland's wonderful south western shores.

YOUR ITINERARY

SUNDAY: Our door to door service collects you from home and transfer you to your tour coach. We then proceed north to our overnight stop.

MONDAY: Heading into Scotland we first stop at Greta Green, Scotland's famous runaway marriage centre before continuing on to our hotel in Irvine.

TUESDAY: To Ardrossan this morning to catch the morning sailing to the Isle of Arran – nicknamed 'Scotland in Miniature'. We take a circular tour of the island, passing idyllic coves and beaches in the south and mini-Highland peaks of granite in the north before we make our way to Brodick Castle & Gardens, a classic Victorian Highland estate.

WEDNESDAY: A second island tour today as we cross the Firth of Clyde to the beautiful Isle of Bute. Arriving in Rothesay we make our way to Mount Stuart House, a 19th century house and estate with spectacular landscapes and interior rooms. From here we take a drive of the island where tranquil inlets and enchanting hamlets dot the island together with remarkable views across the Sound of Bute and towards Argyll.

THURSDAY: This morning we make our way along the Ayrshire Coast to Culzean Castle. Designed by Robert Adam, this clifftop masterpiece was once the home of the David Kennedy, the 10th Earl of Cassillis who was renowned for his keenness to demonstrate his wealth. The castle, towering above the woods and beach epitomised his flamboyance. We return via Troon, known for its famous golf links but also an attractive harbour town.

FRIDAY: We leave Irvine this morning and tour through the heart of the heathlands of Dumfries and Galloway to reach the county town of Dumfries. Here we enjoy some free time before continuing our journey to our overnight hotel.

SATURDAY: We continue our return journey, concluding with our door to door service back to your home.

THE MANXMAN

Arriving at the Isle of Man by sea is enthralling, as the mountains of the island appear on the horizon, then beautiful Douglas Bay unfolds, with its terraced seafront buildings and hotels. Douglas is by far the largest town, once a Victorian resort, but nowadays becoming increasingly cosmopolitan, with a dual role as a holiday destination and a thriving business centre. Away from Douglas there is peaceful countryside, a spectacular coastline and small old fashioned seaside towns, many of which are highlighted on our included excursions.

YOUR ITINERARY

SUNDAY: We collect you from home with our door to door service and transfer you to your tour coach, before heading for our overnight stop.

MONDAY: A short stop in Lancaster this morning before we join our ferry crossing to Douglas, our base for the next four nights.

TUESDAY: An extended half day excursion to Port Erin, a resort with a beautiful bay sheltered by Bradda Head, which retains an Edwardian flavour, before heading towards the Calf of Man. Then on to Castletown, where medieval Castle Rushen dominates the town and harbour.

WEDNESDAY: A free day to explore Douglas at leisure, alternatively take the electric railway to Laxey or steam railway to the south of the island.

THURSDAY: A full day circular tour of the north of the island. First to the village of St. John's, setting of an annual open air Manx Parliament on Tynwald Hill and then on to the fishing port of Peel, which has a ruined castle overlooking the harbour, a traditional kipper smokery and antique shops along the alleyways. In the afternoon we make our way to Ramsey, a harbour town and small seaside resort combined, then return to Douglas by the Mountain Road, a thrilling section of the TT motorcycle racing circuit.

FRIDAY: Today we reluctantly leave this lovely island and cross back to the mainland, before making our way to our overnight stop.

SATURDAY: Returning south, we make our way home with our door to door service completing your holiday.

We visit the country's favourite two cities, Dublin and Galway, and explore some of its finest unspoilt scenery including the breathtaking Connemara National Park. We delve into Ireland's heritage, from past traumas to present day triumphs, and include a visit to the famous Irish Stud and Japanese Gardens. And of course no visit to Ireland would be complete without a visit to the world famous Guinness Storehouse for a drop of the iconic 'black stuff'!

YOUR ITINERARY

SATURDAY: Our door to door service will collect you from your home and connect you to your tour coach. From here we make our way to our overnight stop in time for dinner.

TUESDAY: A day at leisure to explore Galway at your own pace. This small but striking city is a jewel in Ireland's crown, with its colourful streets, unique cathedral and famous Eyre Square.

We visit pretty Clifden, 'capital' of Connemara before passing the castellated mansion of Kylemore Abbey to reach Killary Harbour. Here we take a cruise on Ireland's only fjord before returning via Cong, where 'The Quiet Man' was filmed in 1951.

THURSDAY: Departing Galway this morning we head into the Lakelands of Ireland and visit the small town of Athlone, on the banks of the River Shannon. We then continue through the verdant countryside to reach the Irish National Stud, an Irish institution at the heart of the country's passion for horse racing. There is time to discover the breeding and racing heritage as well as enjoying the tranquil Japanese Gardens, an exotic contrast before we continue to our hotel on the outskirts of Dublin.

FRIDAY: For our final morning in Ireland we include a real taste of Ireland with a visit to the famous Guinness Storehouse. Here you follow the story and process of Ireland's most iconic tippie before having the chance to enjoy a taste of the 'black stuff' while admiring far reaching views of Dublin and the Wicklow Mountains. VALKENBURG & BULBFIELD TIME IN HOLLAND

The picturesque resort of Valkenburg lies in the lovely province of Limburg – an area where the usually flat Dutch countryside yields to lush rolling hills and sloping forests. Almost surrounded by Belgium and Germany, Valkenburg – or Little Switzerland as it is often called – has a history and character which is wonderfully unique and an atmosphere which is typically continental. And as an added bonus there is a visit to Keukenhof Gardens too!

YOUR ITINERARY

MONDAY: We collect you from home this morning with our new door to door service before joining your tour coach. From here we continue to the Dover to cross the Channel and onwards to our hotel in Valkenburg.

TUESDAY: Today we head into Germany and to the Eifel Mountains where we make our way to the picture-postcard town of Monschau, characterised by its half-timbered buildings in a steep-sided valley, overlooked by a medieval castle. On our return we pause at the hillside viewpoint overlooking the three countries, where Belgium, Germany and Holland meet.

WEDNESDAY: An early start this morning as we head north to the world famous Keukenhof Gardens, the showpiece of bulbfield time in Holland. This historic parkland is brimming with flowering tulips, hyacinths, and daffodils as well as unique flower shows in the pavilions. It's a truly memorable place and there is plenty of time to explore the gardens before returning for a late dinner.

THURSDAY: A half day excursion to delightful Maastricht, 'capital' of Limburg and one of the oldest cities in Holland.

FRIDAY: We leave Valkenburg this morning and head back for our afternoon Channel crossing before completing our journey homeward, back to you home with our door to door service.

This evening our ship begins to cruise towards Saarburg as we enjoy a night of entertainment on board.

CLASSIC JOURNEYS OF QUINTESSENTIAL ENGLAND

The enigmatic landscapes and scenic countryside of England are a delight to behold, and there's no finer vantage point to take it all in than the comfort of a train. On this new holiday by rail, based close to Cheltenham, we explore – by coach and heritage rail - the whole of this lovely region... from the heart of the rolling Cotswolds to the coastlines of Somerset, and the timeless beauty of the Severn Valley.

YOUR ITINERARY

MONDAY: We meet at Paddington Station and take the early afternoon Great Western train to Cheltenham Spa. Here we transfer to our hotel for four nights.

TUESDAY: We begin our day with a transfer to Cheltenham Spa Station and join the Cross-country service to Taunton, passing through Bristol and skirting Weston Bay. At Taunton we join our coach to nearby Bishops Lydeard to join the West Somerset Railway, a 20 mile restored heritage line through the Somerset countryside, passing the Quantock Hills and reaching the North Somerset coast at Minehead. This afternoon we spend some free time in this small seaside resort before returning to Cheltenham by coach.

WEDNESDAY: By coach into the beautiful Severn Valley today, making our way to Kidderminster. Here we board the Severn Valley Steam Railway for a memorable and nostalgic ride through the unfolding countryside to Bridgnorth. Here there is free time in this 'town of two towns', a castled upper town and a lower town beside the Severn, connected by the steepest funicular railway in Britain. This afternoon we travel by coach to Worcester where its cathedral beside the river is a real picture.

THURSDAY: This morning we board the Gloucestershire & Warwickshire Heritage Railway as it eases through the rolling pastures of the Cotswolds to the pretty village of Broadway. Here we join our coach to return via popular Moreton-in-Marsh and the delightful Stow-on-the-Wold, two classic Cotswold villages offering a glimpse of quintessential England.

FRIDAY: This morning we transfer to Cheltenham Spa Station and make our return journey to London Paddington where we say our farewells.

SECRETS OF THE MANX ISLE

In the midst of the Irish Sea, halfway between England, Scotland, Ireland and Wales, lies the remarkable Isle of Man. With its own parliament, postage stamps and over 1,000 years of history, it's a fascinating and unforgettable place to visit. Our holiday combines the comfort of rail with the freedom of a Go Explorer Heritage Pass – making this a unique way to discover the many gems of this enchanting isle.

After a short transfer to the terminal we board the evening fast ferry to Douglas. On arrival in Douglas we transfer to the Chesterhouse Hotel for our five night stay. (Evening dinner not included on this day).

MONDAY: A leisurely start to the day before we take the short walk along the promenade to take the electric train to Laxey. Here we join the Snaefell Mountain Railway for the ascent to the top of the Island's only mountain. Far reaching views await – on a clear day as far as England, Scotland, Wales and Ireland! Then it's on to the fishing port of Peel, with its ruined castle overlooking the harbour, a traditional kipper smokery and antique shops along the alleyways. With your pass perhaps take time to visit Peel Castle or the House of Manannan where the island's mythological sea god guides you through the rich Celtic and Viking past.

THURSDAY: Today we join the Manx Electric Railway and travel the complete length of the line to the harbour town of Ramsey in the north of the island. Hugging the coastline and offering lovely views and tranquil countryside this is a scenic delight. This afternoon we return to Douglas with the afternoon at leisure.

BOOKING TERMS & CONDITIONS

When you book a Grand UK holiday we want you to be totally satisfied with the arrangements so that you will book with us again in the future. To avoid misunderstandings you should be in no doubt as to the commitments we have to you and, in turn, the obligations you have to us. Listed below are a number of important points which we would like you to read carefully. None of the terms or conditions are intended to contravene or contradict The Package Travel Regulations 2018 or The Unfair Terms in Consumer Contracts Regulations 1999.

1. YOUR HOLIDAY CONTRACT

Your contract is with the The UK Holiday Group Limited trading as Grand UK Holidays. When you make a booking you guarantee that you have the authority to accept, and do accept on behalf of your party, the terms of these booking conditions. This contract is made on the terms of these booking conditions, which are governed by English Law, and the jurisdiction of the English Courts. You may, however, choose the law and jurisdiction of Scotland or Northern Ireland if you wish to do so. No contract exists between us until we despatch your Holiday Confirmation Invoice – please see Point 2. Your Booking for full details.

2. YOUR BOOKING

a. Deposits and Final Payments

Deposit payments are non-refundable. Please make cheques payable to Grand UK Holidays or to the travel agent you book through and remember to include any insurance premiums, if you choose to purchase insurance through us. It is a condition of booking that you must have holiday insurance to travel with Grand UK and all insurance details must be provided at the time of confirming your booking. Cheques are not accepted within 28 days of travel.

For holidays by air your Invoice will be despatched within 7 days. The Invoice shows clearly the balance due and the latest date by which payment must be made. No reminders will be sent so please keep the Invoice safe and make a special note of when the balance is to be paid. If the balance is not paid on or before the balance due date then your holiday will be treated as cancelled. Separate arrangements are made in the case of Late Bookings (see point 2b). When you buy a flight-based holiday, all monies you pay to the travel agent are held by them on behalf and for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by them, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. b. Late Bookings

Bookings made within balance due must be paid in full at the time of booking.

c. Final Travel Details

Grand UK Holidays will forward your travel documents and information approximately 10 days prior to departure.

3. CANCELLATION OF YOUR BOOKING

a. General

If you wish to cancel your holiday, for whatever reason, you must let us know as soon as possible in writing. Cancellation will be effective at the time written notification is received by Grand UK Holidays.

b. If You Cancel your Holiday

- If you cancel your holiday for any reason we will be forced to apply our cancellation charges at the rates shown in the table at the top of the next column.
- Should you cancel your holiday due to medical reasons and you can support this with the documentation requested by the insurer, you may be able to reclaim these charges, less any excess figure, if the reason for cancellation is covered by your holiday insurance. Advice on how to make your claim against the insurance policy we offer, which must be dealt directly with the Insurance Company, will be sent together with a Cancellation Invoice following your written confirmation of cancellation.
- If any person with whom you are sharing accommodation should cancel, and you wish to continue with your holiday as planned, we will make every effort to transfer you to suitable accommodation, if available. If this is not possible, or if this results in any additional charges, we reserve the right to pass on these charges to you, or to cancel your holiday and apply the appropriate cancellation charges.

c. If We Change or Cancel Your Holiday

- Material Alterations, Cancellations and Compensation. Because our brochure details are prepared months in advance it could become necessary, in certain circumstances, to change your holiday arrangements, to amend itineraries, change hotels, alter your UK airport, amend your coach seat number or to cancel your holiday because it has failed to attract the minimum number of passengers required for the tour or pick-up point. Often these are only minor changes, but where a Material Alteration or Cancellation (see point c.ii) becomes necessary outside the date when full payment is due you have the following options: (a) to continue with the holiday as amended or (b) accept an alternative holiday which we may offer or (c) cancel your booking and receive a prompt refund of all monies paid. A refund will become due to you if any alternative accommodation offered to you is of a lower standard than previously advertised. Where a Material Alteration or Cancellation is notified after the date when full payment is due you are also entitled to compensation on the scale set out below, unless this is a result of hostilities, lock-out, political unrest, industrial disputes, adverse weather conditions, fire, epidemic or health risk, disease outbreak, fuel shortage or any other reason of unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all care had been exercised.
- Definitions of Material Alterations and Cancellations. For the above purposes a holiday will be deemed to be Materially Altered or Cancelled if we make a significant change of resort, a change of accommodation to a lower standard, a change of departure date, a change of UK airport (except between the London airports of Gatwick, Heathrow, City, Stansted, Southend and Luton) or a change of coach holiday departure point more than five miles from the original.
- If you purchase the insurance we offer and your holiday is cancelled by us then we will refund your insurance premium in full. However, should you choose to take insurance with an alternative provider then they may not offer a refund under these circumstances. Therefore, please check this with your alternative insurer as we will not be held responsible for any losses you may incur.

Period before departure when a Material Alteration or Cancellation is notified	Full payment due up to 35 days before departure	Full payment due 36-42 days before departure	Full payment due 43-70 days before departure	Full payment due 71-90 days before departure	Full payment due 91-99 days before departure

35 days to 15 days	£5	£10	£15	£20	£25
14 days to 1 day	£10	£15	£20	£25	£30

d. Changes to Flight Times

As our brochure is published many months in advance the flight times detailed in the brochure, and any other flight holiday literature we publish from time to time, are for guidance only. Flight times and or schedules can change, often with little notice, and we reserve the right to substitute alternative airlines, routes and times from those shown if required or to operate the holiday with the altered times. Such a change is not a Material Alteration (see section 3cii) and will not entitle you to cancel your holiday without incurring a cancellation charge. Your final flight details will be sent to you with other important travel information about 10 days before departure and you should check this carefully as soon as it is received.

e. Changes to Your Booking and Amendment Charges

- i. If, after booking your holiday, and prior to 14 days before departure, you are prevented from travelling and wish to amend the booking to another person, the company will agree as long as the other person satisfies all the conditions applicable to the package, and subject to both persons accepting joint and several liability for full payment of the package price and the company's charge of £20 (see point e.iv for exception) for confirming the transfer plus any additional costs imposed upon the company by accommodation, flight and cruise operators or any other supplier.
- ii. If, after booking your holiday, and prior to the balance due date, you wish to transfer to an alternative holiday/departure date, and/or amend your pick up point, the company will agree, dependent upon availability, and will charge £20 (see point e.iv for exception) to process the amendment plus any additional costs imposed upon the company by accommodation, flight and cruise operators or any other supplier.
- iii. Any transfer requests within balance due will however be treated as a cancellation and will be subject to the scale of cancellation charges set out in point 3bi. Requests for changing the booking to another departure date, hotel, tour, or to amend your departure point/travelling plans, will be treated as a cancellation.
- iv. Ocean cruises are subject to a £50 administration fee per person for name changes outside 99 days and a 25% charge within 99 days.

4. YOUR HOLIDAY

a. Your Grand UK Holiday Package

Your holiday includes a number of elements as stated in the brochure. Unfortunately we cannot make any refunds if you choose, or are unable to, take any part of this package.

b. Your Holiday Accommodation

- i. Bedrooms with en-suite facilities (sometimes referred to as private facilities or private bathroom) have bath and/or shower and WC, and some rooms may have a washbasin in the bedroom rather than in the WC or bathroom.
 - ii. There is no additional supplement for the limited number of single-bedded rooms available at our UK mainland hotels. However, certain hotels may allow single occupancy of double or twin bedrooms at no additional charge but once the allocation has been sold then additional rooms, where available, will carry a supplement.
 - iii. Hotel descriptions in this brochure indicate whether there is a lift or no lift. However, where a lift is indicated this is not meant to imply step-free access to all public areas and bedrooms.
 - iv. Lower floor rooms are defined as rooms on the ground or first floor. We make no extra charge for the limited number available and although every effort is made to comply with your wishes we accept no liability for failure to provide such a request and cannot accept bookings which are conditional upon us fulfilling this request.
 - v. Any Special Requests (eg special diets, low floor rooms or rooms adjoining) must be made at the time of booking and be printed in the relevant section of your confirmation invoice issued by Grand UK to you or your travel agent. If, for whatever reason, this is missing then you must contact us immediately otherwise the details will not be passed on to your hotel. Whilst every effort is made to comply with your wishes we cannot guarantee that such requests will be granted, or that the hotels are able to provide the requested facility. We cannot accept any reservation which is conditional upon any special request being satisfied.
 - vi. Some amenities and facilities require cleaning, servicing or may suffer mechanical failure at times, and other unforeseeable factors beyond the control of the supplier may affect their availability from time to time. Hotel entertainment as detailed in the brochure may also be affected for similar reasons and therefore its frequency and nature may be subject to change. The listing of a 'Dance Floor' in a hotel description does not necessarily mean that dancing will be available during your stay.
 - vii. In certain circumstances it may become necessary to change the location of a single overnight stop. Whilst we will do our best to notify you in advance of such a change, we reserve the right to effect such a change without notice. At all times the change of hotel will be of equivalent standard to the original. Please ensure you take all personal belongings with you.
 - viii. Grand UK Tour Managers join the tour either at the Interchange Area, or at your hotel. Tour Managers are usually not in attendance on transfer services. On holiday centre and river cruise holidays, there is generally only one Tour Manager available, regardless of the number of Grand UK coaches operating on the holiday. Tour Managers are not in attendance on CroisiEurope operated river cruises, ocean cruises or self-drive holidays. Local representatives are utilised on the Channel Islands & fly sun holidays.
 - ix. Grand UK Holidays has no control over other clients staying in the hotel, holiday centre or onboard ship during our operating periods. Whilst we try to ensure that reservations from families with young children are not encouraged during our operating periods we cannot accept liability for any inconvenience or disturbance caused to our holidaymakers by any other guest or guests staying during the same period. It is also impossible for us to ensure that all our customers are over the age of 55 and we accept no responsibility for the fact that clients under this age may join our tours from time to time, with or without our consent.
 - x. In certain cases tourist board accommodation categories or star ratings are shown against hotels. Overseas countries have different grading systems, and star ratings may not be equivalent to those in the UK.
- c. General**
- i. On full board holidays lunch is not included on the first and last days, and packed lunches are supplied on full day excursions. On half board holidays dinner is included on the day of arrival and breakfast on the morning of departure (unless specifically stated in this brochure or on your confirmation).
 - ii. Admission fees or guided tours are not included in the holiday price unless expressly stated in the excursion description. We reserve the right to change itineraries and included excursions from those stated in the brochure, where necessary, and this will not entitle you to compensation where such variations are a consequence of non-significant changes to your holiday.
 - iii. We reserve the right to prohibit travel should you be experiencing medical symptoms likely to cause ill-health to others. It is, therefore, vital that you ensure that you are fit to travel prior to arriving at the airport, port or pick-up point as full cancellation charges will apply should we be forced to terminate your holiday. We also reserve the right to refuse a booking or terminate your holiday and levy full cancellation charges in the event of irrational conduct which is likely to cause anxiety, annoyance, harm, danger or ill health to other passengers or employees.
 - iv. Should you leave any belongings at the hotel or on the coach we will make every effort in tracing and returning them to you, although we do reserve the right to pass on any cost incurred in doing so.
 - v. In the event of any contact being made with Grand UK Holidays, either directly by you, or by your travel agent, on any subject whereby information contained in this brochure is changed, or additional information given, you or your travel agent must ensure that the information given is confirmed in writing. No responsibility will be accepted for any loss, damage or disappointment if this procedure has not been followed.

- vi. Responsibility is limited for events which are reasonably beyond our control and unforeseeable. Examples of such events could include traffic or road conditions, unavoidable technical or mechanical transport problems, epidemic outbreaks, weather conditions, disputes, fuel shortages and fire.
- vii. Should you take out the insurance we offer, and subsequently make a claim under your insurance policy, we can take no responsibility if this claim is disputed or refused by the insurer or for any additional expense incurred by you in making the claim whether successful or not.
- viii. We will not be held responsible for any of your items taken on holiday that are subsequently damaged, howsoever caused.
- ix. No items within your luggage should exceed a £200 limit per item.
- x. Due to the overall weight and space restrictions on vehicles, luggage is limited to one medium size suitcase per person. Luggage on aircraft or other carriers is subject to the carrier's terms and conditions, a copy of which can be sent to you on request.
- xi. Occasionally it may be necessary to join a ferry as a foot passenger rather than onboard a coach.
- xii. All holidays are sold subject to availability.

5. PASSENGERS WITH HEALTH CONSIDERATIONS/DISABILITIES

Whilst we welcome passengers on our holidays with health considerations and disabilities, some of our holidays may not be suitable for certain special needs. Some hotels do not offer ground/ lower floor accommodation or lifts/easy access. It is, therefore, important that we have details of the full extent of your needs in writing and you must ensure that this has been acknowledged by us. Collapsible wheelchairs are accepted on coaches, with prior agreement, however, the overall weight of the coach is restricted and there is also limited space for luggage and extra equipment. It is not usual for us to be able to carry more than one mobility scooter on a coach and carriage of such an item will be subject to weight, size and other information acknowledged by us. Please be aware that airlines do have their own conditions for carrying such equipment. We will always endeavour to assist with your requirements when you book your holiday. If we are not informed of any disabilities in this way we cannot be held responsible for any cost or inconvenience incurred. Should you cancel or terminate your holiday due to these reasons full cancellation charges will apply.

6. YOUR TRAVEL ARRANGEMENTS

a. Departure Times and Places - Coach Holidays

- i. It is only possible for customers to be picked-up and dropped off at the scheduled departure points stated in this brochure. Please be aware that the pick-up point addresses may change, so please ensure you check your final travel information carefully. Departure and Return times shown in the brochure are approximate times only and are subject to change. Final travel times will be confirmed with your Final Travel Documents approximately 10 days before departure.
 - ii. If you do not receive your travel documents within 5 days of your departure date you must contact us immediately so that they may be re-sent to you or any new details confirmed as soon as possible. We cannot accept any responsibility for any resulting loss or expense if the above procedures have not been carried out.
 - iii. You are responsible for ensuring that you are at the correct departure point at the correct time. We cannot accept any responsibility for you not locating your transport or any additional expenses incurred due to you failing to join your transport for the above reasons.
 - iv. Where we include a door-to-door home pick up service, we can only collect from one address per booking. This service is limited to those postcodes advertised. Collection from ground level locations only.
- b. Tour Coaches and Coach Seats**
- i. If it becomes necessary to use a coach with different seat numbers to those indicated on our travel information page, the seat position should not change significantly. However, we cannot accept bookings conditional on the provision of specific seats and accept no liability if the seat provided is in a different position to that indicated in the published seating plan. Reserved seats are not allocated on transfer services or optional excursions. Although tours may be advertised as having a coach with WC facilities or air-conditioning, we reserve the right to operate a coach without such facilities should this become necessary due to mechanical failure, accident, low passenger numbers etc.
 - ii. From time to time taxis, minibuses and small coaches may be used on the transfer element of your holiday and these vehicles do not have a WC facility. In addition these smaller vehicles are sometimes used to transfer you to the main transfer coach.
 - iii. In the unlikely event of a premium coach being unavailable, for whatever reason, on Grand UK Gold tours we reserve the right to replace the vehicle with a standard coach. You will be refunded up to £5 per day and this will be the extent of our liability.
 - iv. From time to time it may become necessary to use multiple tour coaches during any given holiday due to mechanical problems or other operational requirements.
 - v. Continued use of mobile devices whilst on the tour coach is prohibited.

c. Smoking

All coaches are strictly no smoking and this includes substitute tobacco & nicotine products such as electronic cigarettes etc. If you ignore this we reserve the right to terminate your holiday and levy full cancellation charges. You may also be liable to meet the cost of any claims brought against Grand UK Holidays resulting from such an incident.

d. Luggage Handling

On all mainland holidays luggage handling is provided at our interchanges between coaches. While many hotels will provide portorage, we are unable to guarantee this at all properties. Portorage is usually not available at sea ports or airports for security reasons. On all train holidays portorage is not included on any part of the holiday.

e. Conditions of Carriage

You are advised that overland carriage is in vehicles other than those owned or operated by Grand UK Holidays and that no sea or air transport is owned by the company. Such transport is subject to national and international regulations and conventions which may limit or exclude liability – a copy of these are available if you wish to see them. Your contract is subject to English Law and jurisdiction.

f. Air Holidays

Grand UK Air holidays do not include transport to or from your chosen UK airport (unless stated in this brochure). Please see details on each relevant holiday page or the travel information page. Any passengers requiring airport assistance must request this at the time of booking. Failure to follow this procedure may result in this facility being unavailable and cancellation charges will apply should you choose to cancel your holiday as a result. You are advised that most airlines utilised by Grand UK Holidays do not include in-flight meals or drinks.

g. Delayed Departure

If your departure to or from the UK mainland is delayed for more than six hours beyond the scheduled departure time we will make arrangements for meals and alternative accommodation only if this delay results in the advertised meal and accommodation arrangements being cancelled. We cannot accept responsibility for any meals or accommodation not included in the advertised holiday itinerary.

If departure from the UK mainland is delayed for more than twelve hours beyond the scheduled departure time we reserve the right to cancel the holiday and refund all monies paid and this shall be the extent of our liability.

7. LIABILITY & CONSUMER PROTECTION

The 2018 Package Travel and Linked Travel Arrangements Regulations require us to provide security for the monies that you pay for package holidays booked from this brochure, other publicity material and on the website, and for your repatriation in the event of our insolvency. We provide this security by way of an ATOL (number 5024) – Air Travel Organiser’s Licence – administered by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, Tel: 0333 022 1500, email: claims@caa.co.uk and a Bond held by ABTA, The Travel Association, 30 Park Street, London SE1 9EQ www.abta.co.uk for packages that do not include flights. If you book arrangements other than a package holiday from this brochure, the financial protection referred to above does not apply. For your financial protection when you buy an ATOL protected air holiday package from Grand UK Holidays, you will receive an ATOL Certificate from us (or via our authorised agent through which you booked) This lists the flight, accommodation, car hire and/or other services that are financially protected, where you can get information on what this means for you and who to contact if things go wrong. Many of the flights and flight – inclusive holidays offered by Grand UK Holidays in this brochure, other publicity material and on the website are financially protected by the ATOL scheme. But ATOL protection does not apply to all holiday and travel services listed in this brochure, other publicity material and on the website. Please ask us to confirm what protection may apply to your booking. If you do not receive an ATOL Certificate then the booking will not be ATOL protected. If you do receive an ATOL Certificate but all the parts of your trip are not listed on it, those parts will not be ATOL protected. For more information about financial protection and the ATOL Certificate go to: www.caa.co.uk/ATOL-Protection/consumers/ATOL-certificate

We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren’t able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). In the unlikely event of our insolvency whilst you are on holiday, the CAA will ensure that you are not stranded abroad.

For further information visit the ATOL website at www.caa.co.uk/atol-protection If you buy a package holiday that does not include a flight, financial protection is provided by ABTA. We are a Member of ABTA, membership number V6237 and we are obliged to maintain a high standard of service to you by ABTA’s Code of Conduct. For further information please see www.abta.com

In the event that you have any complaint during the course of your holiday you are strongly advised to immediately bring this to the attention of the supplier of the service in question AND the Grand UK Tour Manager/representative. If you are not satisfied with the solution offered you must contact us in writing after returning home. In the event that you do not tell us within 28 days after returning home our ability to investigate and deal with the complaint may be affected. In the unlikely event that we are unable to amicably settle your grievance, you may decide to pursue the matter further. We can offer you an arbitration scheme for the resolution of disputes arising out of, or in connection with this contract.

Further information on the Code and arbitration can be found on ABTA’s website www.abta.com. The arbitration scheme is arranged by ABTA and administered independently by IDRS, part of the Chartered Institute of Arbitrators. It provides for a simple and inexpensive method of arbitration on documents alone with restricted liability on you in respect of costs. Full details will be provided on request or can be obtained from the ABTA website. The scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,000 on the amount the arbitrator can award per person in respect of this element. The application for arbitration and Statement of Claim must be received by IDRS within nine months of the date of return from the holiday. Outside this time limit arbitration under the Scheme may still be available if the company agrees but the ABTA Code does not require such agreement. For injury and illness claims, you may like to use the ABTA/Chartered Institute of Arbitrators Mediation Procedure. This is a voluntary scheme and requires us to agree for mediation to go ahead. The aim is to help you resolve your dispute in a quick and cost effective way. Details on request or from www.abta.com. This brochure is published by The UK Holiday Group Limited trading as Grand UK Holidays in good faith and is designed to assist you in choosing a suitable holiday. We accept responsibility for ensuring that the component parts of your holiday as described in this brochure are of a reasonable standard and that the obligations arising from this contract are performed properly unless this non or improper performance is attributable neither to any fault of ours or to that of another supplier because i) the failure to perform the contract were attributable to you ii) such failures were attributable to a third party unconnected with the provision of the contracted services, and are unforeseen and unavoidable iii) such failures are due to force majeure or to an event which we, or the supplier of the service, even with all due care could not foresee or forestall. Even in the case of sections i and ii above we will still give prompt assistance to you but this shall be the extent of our liability.

Claims other than Personal Injury

Subject to the foregoing we will pay reasonable compensation for the non or improper performance of the contract by us, limited at all times to twice the total cost of the holiday.

Claims for Personal Injury

Subject to the foregoing, all claims relating to personal death or injury will be equivalent to the damages you would be entitled to receive under English Law in an English Court provided at all times that:

- a) you assign to Grand UK Holidays any rights against a supplier or other person or party you may have relating to the claim.
- b) that you co-operate fully with us should we or our insurers wish to enforce those rights which have been assigned to us.
- c) Such payment in the case of transport or air is limited to that laid down in the appropriate International Conventions.

Note: Failure to notify us of your claim within 90 days of your return from holiday may affect our ability to investigate your claim and may impact on the way your claim is dealt with.

8. DATA PROTECTION

In order to process your booking and to ensure that your travel arrangements run smoothly and meet your requirements we and your travel agent need to use the information you provide such as name, address, any special needs/dietary requirements etc. We take full responsibility for ensuring that proper security measures are in place to protect your information. We must pass the information

on to the relevant suppliers of your travel arrangements such as airlines, hotels, transport companies etc. The information may also be provided to security or credit checking companies, public authorities such as customs/immigration if required by them, or as required by law. Additionally, where your holiday is outside the European Economic Area (EEA), controls on data protection in your destination may not be as strong as the legal requirements in this country. We will not, however, pass any information on to any person not responsible for part of your travel arrangements. This applies to any sensitive information that you give us such as details of any disabilities, or dietary/religious requirements. Our full privacy policy is available at www.grandukholidays.com/privacy-policy. If we cannot pass this information to the relevant suppliers, whether in the EEA or not, we cannot provide your booking. In making this booking you consent to this information being passed on to the relevant persons. You are entitled to a copy of your information held by us. If you would like to see this please contact the Data Protection Officer, Grand UK Holidays, The Old Bakery, Queens Road, Norwich NR1 3PL

9. PRICE POLICY

All the details in this brochure supersede all previously advertised prices and itineraries published in prior brochures or advertising material. Before confirmation of your holiday we reserve the right to change prices from those advertised in this brochure. Having confirmed your holiday by sending your Holiday Confirmation Invoice, the price of your travel arrangements is subject to surcharges only on the following items. 1. Transportation – e.g. increases in fuel costs 2. Government action – e.g. any increases in VAT or any other tax imposed on us or required to be passed on by us 3. Currency – in relation to adverse exchange rate variations. However, even in these circumstances there will be no change within 30 days of your departure and we will absorb or retain an amount equivalent to the first 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that, plus an administration charge of £1.00 per person together with an amount to cover agents’ commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements, you will be entitled to cancel and receive a refund of all monies paid. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date printed on the revised invoice. Should the price of your holiday go down due to the changes mentioned above, by more than 2% of your holiday cost, then any refund due will be paid to you, however, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place. The overseas holiday prices published in this brochure were calculated according to the exchange rates published by the Financial Times on August 29th 2024 as follows: Euro 1.1872.

10. HEALTH MATTERS

For the complete list of departure points and estimated pick-up times please see the following pages.

YOUR TRAVEL REGION

Our new and improved network means for all UK short break holidays you join your tour coach at our interchange area at Northampton Services on the M1, at junction 15A.

Your region covers most of East Anglia, the East Midlands and the northern Home Counties as the following map indicates:

RESTRICTED DEPARTURE POINTS AND TIME VARIATIONS

For operational reasons some tours are routed more locally and this may mean, in some cases, that the number of departure points are restricted. Times indicated on pages 113-114 are for guidance purposes and can often vary by up to two hours.

If you have any questions or queries about your travel arrangements please call our travel operations team on 01603 886750 or see your local appointed travel agent.

CLAIM YOUR £25 DISCOUNT

Depending on where you live, and where you are travelling, it may be more convenient for you to join your coach holiday directly at your chosen resort, interchange area or seaport in order to avoid unnecessary travelling. If you wish to choose this option you must state this at the time of booking and we will deduct £25 per person from the cost of your holiday by coach.

WE HANDLE YOUR LUGGAGE

At all interchange areas there are baggage handlers on duty to handle your luggage, and interchange controllers on hand to help and advise you if you have any queries. Any hand luggage taken on-board our coaches are your own responsibility.

For security reasons you are responsible for your own luggage at airports, train stations and some seaports - although trolleys are usually available.

RESERVED COACH SEATS

You have the opportunity to choose the coach seat of your choice which is yours from the moment you join your tour coach at the interchange. Seat numbers are not allocated on regional transfer services, Mystery Tours, Lucky Dip Holidays and Channel Islands Holidays or on river cruise excursions operated by CroisiEurope. In most cases on standard coaches equipped with a rear mounted WC, seats 23 and 24 move to the driver's side of the vehicle, whilst seats 45 and 46 move one seat forward of the rear seat.

Please note that smoking is not permitted on coaches, this includes the use of substitute tobacco and nicotine products such as e-cigarettes and vapes.

DOOR TO DOOR HOLIDAYS

Great news, our longer duration UK and Ireland holidays (7 days+), as well as all European coach holidays, river cruises and our new ocean cruise collection, now include a Door to Door Service. This means you can relax right from the very start of your holiday as our local taxi partners collect you from home and transfer you to your tour coach. On your return you are safely returned back to your doorstep.

Our Door to Door Service for our UK, Ireland and European holidays is available from the following postcodes:

CB1-25; CM0-10, 17-77; CO1-16; CV1-21; EN11; IP1-33; LE1-10, 13-19; LU1-7; MK1-46; NN1-29; NR1-35; OX15-17; PE1-16, 19, 26-99; SG1-19;

With this service it may be necessary to share your Door to Door vehicle with other passengers. The pick up will be at the address of the lead name on the booking. We are only able to collect at ground level locations.

CHANNEL ISLANDS BY AIR

For our Channel Islands by Air programme there is a convenient home Door to Door Service from your home address to and from the airport. Transfer is by coach, mini-bus or taxi and is only available from addresses in the following designated postcodes and from one address per booking.

Our included Door to Door Service is available from the following postcodes:

AL1-10; CB1-25; CM0-77; CO1-16; CV1-21; EN11; HP1-4; IP1-14, 20-31; LE1-10, 13-19; LU1-7; MK1-46; NN1-29; NR1-10, 13-29; OX1-5, 6, 9-18, 20-44; PE1-9, 13-16, 19, 27-30, 32-34, 37-38; SG1-19

HOLIDAYS BY RAIL

Our Holidays by Rail (pages 104-107) are carefully researched itineraries to make the most of your holiday. Your joining station is stated under TRAIN TIMES listed on each relevant page. First class travel is often available so look out for the special upgrade options.

Final travel information will be sent to you approximately 10 days prior to your departure. Always ensure that you check this information carefully as coach holiday pick-up points & times can change and Air and Train holiday departure times can also change depending upon airline and train company schedules. In addition home pick-up times for ocean cruise holidays are dependent on ship sailing schedules which can alter from those times printed in this brochure.

LOCAL DEPARTURE TIMES & PLACES

On most of our UK coach holidays you can choose from almost 100 convenient local joining points across East Anglia, the East Midlands and Northern Home Counties.

All holidays of 7 days and more, plus Gold holidays, European, ocean and river cruise holidays include our new Door to Door Service.

Note: These times are for guidance only and can vary significantly. Final travel times will be sent with your Travel Documents approximately 10 days before your departure. Departure points may be withdrawn or restricted from time to time - please check at the time of booking. UK & Ireland and European times also provide a guide for Door to Door collection from your area.
