

HELPING YOU MAKE THE MOST OF YOUR HOLIDAY

TRAVEL ARRANGEMENTS FOR COACH HOLIDAYS AND RIVER CRUISES

FREE LOCAL JOINING POINTS

Our holidays to destinations in Britain feature over 140 convenient local joining points across London, the Home Counties and the South East.

We are constantly reviewing our system to ensure that you join your tour coach as swiftly and directly as possible and spend as much time as possible enjoying your holiday. So, whilst the first and last days of your holiday are largely spent travelling, we have now regionalised our programme to shorten journey times and mean that you will join your tour coach, and arrive at your chosen destination, earlier on most holidays.

OUR FREE SERVICE INCLUDES

- > A choice of more than 140 local Joining Points for UK coach holidays (less than 7 days duration)
- > Free luggage handling at our interchanges
- > Improved interchange network for quicker journeys and earlier arrivals in resort
- > Door to Door collection on all Gold holidays to join our network. Available from postcodes stated in Door to Door holidays section

For the complete list of departure points and estimated pick-up times please see the following pages.

YOUR TRAVEL REGION

Our new and improved network means for all UK and Ireland holidays you join your tour coach at our interchange area at Beaconsfield Services on the M40, at junction 2.

Your region covers most of the South East London, southern Home Counties and South Essex as the following map indicates:

RESTRICTED DEPARTURE POINTS AND TIME VARIATIONS

For operational reasons some tours are routed more locally and this may mean, in some cases, that the number of departure points are restricted. Times indicated on pages 113-114 are for guidance purposes and can often vary by up to two hours.

If you have any questions or queries about your travel arrangements please call our travel operations team on 01603 886750 or see your local appointed travel agent.

CLAIM YOUR £25 DISCOUNT

Depending on where you live, and where you are travelling, it may be more convenient for you to join your coach holiday directly at your chosen resort, interchange area or seaport in order to avoid unnecessary travelling. If you wish to choose this option you must state this at the time of booking and we will deduct £25 per person from the cost of your holiday by coach.

WE HANDLE YOUR LUGGAGE

At all interchange areas there are baggage handlers on duty to handle your luggage, and interchange controllers on hand to help and advise you if you have any queries. Any hand luggage taken on-board our coaches are your own responsibility.

For security reasons you are responsible for your own luggage at airports, train stations and some seaports - although trolleys are usually available.

RESERVED COACH SEATS

You have the opportunity to choose the coach seat of your choice which is yours from the moment you join your tour coach at the interchange. Seat numbers are not allocated on regional transfer services, Mystery Tours, Lucky Dip Holidays and Channel Islands Holidays or on river cruise excursions operated by CroisiEurope. In most cases on standard coaches equipped with a rear mounted WC, seats 23 and 24 move to the driver's side of the vehicle, whilst seats 45 and 46 move one seat forward of the rear seat.

Please note that smoking is not permitted on coaches, this includes the use of substitute tobacco and nicotine products such as e-cigarettes and vapes.

On your return you are safely returned back to your doorstep.

HOLIDAYS BY RAIL

Our Holidays by Rail (pages 104-107) are carefully researched itineraries to make the most of your holiday. Your joining station is stated under TRAIN TIMES listed on each relevant page. First class travel is often available so look out for the special upgrade options.

Final travel information will be sent to you approximately 10 days prior to your departure. Always ensure that you check this information carefully as coach holiday pick-up points & times can change and Air and Train holiday departure times can also change depending upon airline and train company schedules. In addition home pick-up times for ocean cruise holidays are dependent on ship sailing schedules which can alter from those times printed in this brochure.

LOCAL DEPARTURE TIMES & PLACES

On most of our UK coach holidays you can choose from over 140 convenient local joining points across South East, London, Southern Home Counties and South Essex. All holidays of 7 days and more, plus Gold holidays, European, ocean and river cruise holidays include our new Door to Door Service.

Note: These times are for guidance only and can vary significantly. Final travel times will be sent with your Travel Documents approximately 10 days before your departure. Departure points may be withdrawn or restricted from time to time - please check at the time of booking. UK & Ireland and European times also provide a guide for Door to Door collection from your area.

From 2025 our Continental Europe, river cruise, Gold holidays and UK and Ireland holidays of 7 days or more will include Door to Door Service and therefore these departure times and places do not apply. Times are for a guide from your area. Please see page 112 for more details.

TIME VARIATIONS

For operational reasons some tours are routed more locally and this may mean, in some cases, that the number of departure points are restricted and times can vary by two hours or more from those listed.
